

HAVE YOU MADE YOUR PLANS FOR LAS VEGAS?

I must first apologize for the delay in presenting details. We did, at least set a city location (Las Vegas) and dates for you to mark your calendars, May 3rd through May 6th.

With the very good help of one of Steve's clients, a travel agent, we have been in touch with many hotels and received several offers. However, all offers from "The Strip" had some extra charges, such as \$ 500 daily for the use of a "READY ROOM." Finally, I suggested that she call Palace Station, where we stayed a few years ago, Palace Station matched or beat all other offers and the Ready Room will cost only \$75, as opposed to \$500. They were very acceptable to all of our requests and added the following helpful information;

They have regular shuttle service to and from the airport and also to and from "The Strip"

They will supply a buffet breakfast daily, starting at \$4.99.

They have nice restaurant facilities and will cater our Thursday banquet at a better charge than most others.

Please make an effort to attend and bring any family members or friends who would like to join us. We have had good attendance from people who lost loved ones during or since the war. They are wholeheartedly urged to return.
